Racemasters

brings you the thrill of Four Lane Racing. No need to be restricted to just two people racing at the same time. Now you can have a veritable "Happening"! Four lane action is fast and furious with everyone battling for position.

Sort of like...real racing.

Racemasters four lane sets feature nothing but the best for your racing pleasure.

- UL Listed Power Packs
- Pro-Klass controllers
- Guardrails
- Lap Counters
- SRT or Super G+ Cars
- Bridges & Pylons
- Terminal Track

Everything you need to experience the fun of H.O. scale racing is found in these two sets.

International Super Challenge 9939

This is one exciting track. This is our best selling set, and with good reason. Not only is the size just right for racing, there are numerous (16) alternate layouts that you can make. Start a racing club with this set today.

Running Feet: 12.8
Racemasters

Two Lane sets are just as much fun as the big four lane units! These staples have been long time favorites for the entry level enthusiasts. Great fun and a lot of value for the enthusiast. The two lane sets have all the same high quality features as the bigger four lane sets, just two less lanes and a lower price.

Infinity 9111

Year in and year out this is one of our most popular sets. This is the best "entry-level" set on the market today. Lots of features at a very economical price.
