Here is just a sample of the other great cars available. AFX makes more cars, more different types of track and more accessories than anyone. Want more? Stop by your local hobby shop or check out www.toyracecars.com and see the very latest from AFX.

TIPS:

- Clean the track regularly for best performance
- After each run use a pencil eraser to gently remove dirt from the car's pick up shoes
- After crashing, make sure the tires aren't rubbing on the body
- Use a toothpick to clean carpet fuzz and other debris out of the axle/gear area.

Conforms to safety requirements of the ASTM F963.
