6 & 8 Lane CIRCUITS

6 Lane Racing

8 Lane Racing
Track ACCESSORIES

9" Banked Curves
F8628
Contains:
4 x 9" Banked Curve Sections
2 x 15" Straights

12" Banked Curve Set
F8991
Contains:
4 x 12" 1/8 R Banked Curves
2 x 15" Straights
4 x Banked Supports (2 high, 2 low)

9" Chicane Curve Set
F8993
Contains:
2 x Chicane Tracks (L & R)
4 x Kerbing

Loop Track
F8636
Contains:
8 x Loop Sections
1 x Loop Clamp
(Straights not included)

Hairpin Curve Set
F8992
Contains:
1 x 3" Hairpin Curve
2 x Kerbing

Double Terminal
F8998
Contains:
1 x 15" Terminal Track
(with provision for 2 Powerpacks)
Allows constant power to each lane
(Powerpacks not included)
4 Lane CIRCUITS
Alternative **CIRCUITS**

Once you have purchased your initial set, many variations and layouts of up to 10 lanes of exciting racing are possible, by adding the many tracks and accessories available. Build a layout with long straights, tight corners and banked curves. Use your imagination to build a replica of almost any circuit. Some layouts for 2, 4, 6 and 8 lane circuits are shown in the next pages.

For each two lanes of racing circuit an Aurora AFX Power Pack (240V-16V) and one 15" Terminal Track are required.

The circuits detailed here are approximate replica's of the actual circuits, to give the experience of cornering, acceleration and high speed straightways just like real racing.

For more exciting track layouts visit www.afxracing.com.au
