SLOTLESS RACING

A new, easy to use, selector unit for moving cars changes your car's direction — just like real racing.

SLOT RACING SPEED AND SKILL IN A NEW SLOTLESS RACING SYSTEM...

Front wheel changer for sure fast lane changing — just like real racing.

A new challenge in racing! A slow moving racing car runs independently. To overtake, you must pass it. At this slow pace, lane changes are too. A wrong move and you're blocked out — just like real racing.
