SUPER G+ CARS: Awesome Performance!

When you are serious about your racing these babies have all the good stuff. The legend continues with the 2006 Super G+ Line. Full tilt performance and concourse detail. This is what H.O. is all about.

Introducing Officially Licensed Cars Racing On The Nascar Circuits - By Special Permission!

THE FUTURE IS NOW!

SRT are High Performance H.O. Slot Cars that feature tons of innovative Parts. Neo Dymium ground effect Magnets, 7/25 gear ratio, non disengaging pick-up shoes and shoe springs for great performance!
PARTS AND ACCESSORIES
Make your layout bigger, more exciting, or add accessories.

One of the best features of the Racemasters line is the expandability. With our complete line of parts and accessories you can let your imagination be your guide when building your “dream” track. Virtually any configuration imaginable for a two or four lane track can be made. All Racemaster AFX parts come packaged on a 4-color card, poly-sealed, ready for display. Assortments and individual master packs are both available.
