Aurora, world leader in model motoring since 1960, continues to set new standards of excellence with AFX—Aurora Factory Experimentals.

AFX is unmatched for speed, control and performance—right out of the package!

AFX precision-engineered cars run so fast they leave the others on the line.

AFX Electric HO Racing Sets provide unequalled control, performance and value. Plus a host of exclusive, major features: AFX Speed-Lok High Performance Track, AFX Russkit pro-style Speed Controls, AFX Safety Wall-Pak. And, the world’s largest selection of track and accessories. All backed with Aurora’s guarantee of quality and performance.

With over 65,000,000 Aurora HO electric cars manufactured since 1960—it’s easy to understand why AFX Model Motoring outsells all others combined. By more than two to one!
**AFX QUIKEE-LOK™**

Another AFX exclusive, the new Quikee-Lok makes assembling—and taking apart—AFX Speed-Lok™ track easier than ever! Handy screwdriver and wrench makes the Quikee-Lok an indispensable HO track and car tool. Perfect for adjusting and servicing AFX cars, tracks, connections—and dozens of other uses!

**AFX SPEED-LOK™ TRACK**

So easy-to-assemble! Simply position two track sections as shown, with end tabs partially hooked. Track is now ready to snap together.

**TO ASSEMBLE**

Holding the Quikee-Lok firmly, insert it straight into the track slots. Twist firmly in the direction indicated (counterclockwise) until the track snaps into place.

**TO OPEN TRACK**

Holding track with one hand, insert the Quikee-Lok into the track slots. Twist firmly in the direction shown (clockwise) and the track will snap right open.
AFX REVERSIBLE GUIDE PINS
Exclusive! Reversible—for every racing condition. Blade side provides an extra handling edge on AFX High Performance extra-deep-slot track. (For old style Aurora HO track, simply reverse and use the pin side).

SUPER-FAST AFX CARS
High-speed, easy-to-control AFX cars race like the real ones. So fast—there's nothing else in sight. Precision-engineered for unequalled high performance.

AFX HIGH PERFORMANCE TRACK
Rugged. Easy-to-assemble. With the deepest slots in HO racing. Special "slot wedge" design at track ends eliminates guide pin snag where tracks join. Provides extra smooth and quiet high-speed racing action.
